# InterTribal Buffalo Council's Regional Conservation Partnership Program

## OVERVIEW

The U.S. Department of Agriculture (USDA) – Natural Resources Conservation Service (NRCS) in partnership with InterTribal Buffalo Council (ITBC) through the Regional Conservation Partnership Program (RCPP) is making \$47.8 million in financial assistance available to Federally recognized Tribes to improve buffalo grazing programs.

## WHO IS ELIGIBLE?

Lands eligible for enrollment in this program must meet specific criteria that include: Tribally controlled buffalo herds and supporting land within the 12-state project area (MT, WY, SD, ND, OK, NE, KS, FL, NM, AZ, CO, UT)

## WHAT PRACTICES ARE ELIGIBLE

NRCS practices that address degraded plant conditions on Tribally controlled buffalo grazing lands within the 12-state project area are eligible. Common practices include prescribed burning, range planting, livestock pipeline, watering facilities, fencing, brush management, and herbaceous weed control.

## TO APPLY

Applications are being accepted through ITBC's online portal. If you do not already have an account, please select the create account button and follow the prompts. If you are an existing user, please login using the email you previously provided. If you have forgotten your password, please select Forgot Password.
